

國立台中教育大學九十五學年度研究所碩士班招生考試

語文(英文)科試題

科學教育、特教特殊教育組(含早期療育) 社教、幼教、美術、數位內容、音樂、體育用

一、中翻英:(10%)

當我們要求學校五育均衡發展之前,我們是否能先改變自己的觀念,真正平等的來看待德、智、體、群、美等五育?

二、英譯中:(10%)

People here in Taiwan are the first-ever 100% free people in Chinese history. They have changed a lot in recent years, but people with the right combination of tradition and sophistication are still very few. There is not enough complexity and difference in people's personalities. They must rely on themselves to build-up an interesting social life.

三、English Composition (30%)

It has been said that the best things in life are free. What does this mean? Write an English composition of about 200 words, and talk about what best things that happened to you in your life are free.
